# 2018 PLANS

## EDUCATION DECENTRALISATION

### Capacity building for MES in the following areas:

- Support with setting up of monitoring tools, budgeting process on the national level, and budgeting procedures on the local level
- Support with legal drafting, in particular as concerns finance and management parts of the new Law on Secondary Education, the related decrees of the CMU and of the MES
- Strengthening the capacities of the MES in managing, monitoring, and planning education finance, and especially on implementation and adjustment of allocation formula for education subvention
- Support to associations of local governments in the area of education

finance, to strengthen their capacity to represent the interests of their members through a dialogue with the Government of Ukraine

### Work on local and regional level:

- Support to new hromadas with establishment of education function and prepare and carry out optimisation of school networks
- Preparation of methodological guidelines and model documents
- Implementation of the capacity building strategy on education (click to view)
- Identification of the relevant partners for the transfer of the project's outputs, processes and methods. Development of the institutionalisation road maps and their implementation

## FISCAL DECENTRALISATION

- Complete the approach for sub-national data collection, systematisation and sharing for monitoring and analytical purposes
- Perform analysis of 2014, 2015, 2016, 2017 sub-national finances: revenues and expenditures
- Capacity building of relevant staff within MinReg, Minfin as well as other relevant bodies, like LSG Associations, in the areas of data collection, analysis and evidence-based policy making
- Set up framework for joint decentralisation reform monitoring framework by MinRegion and MinFin
- Support fiscal decentralisation related work of the Central Reform Office in the MinRegion

## REFORM COMMUNICATION

- Support capacity building of regional media in the field of education decentralisation
- Continue promoting reform experiences from Ukraine and other countries
- Dissemination of information about the reforms and best practices from the amalgamated territorial communities
- Supporting agents of change at regional level, including communication specialists
- Communicate project activities, outputs and results

## SUPPORT TO THE UKRAINIAN ASSOCIATION OF AMALGAMATED TERRITORIAL COMMUNITIES

- Strengthening the legitimacy and membership base of the Association to achieve the legal requirements set for the LGAs in the Ukrainian legislation
- Capacity building, coaching and advisory support to help Association represent its members and undertake proactive and evidence-based lobbying and advocacy towards national and regional institutions
- Support with setting up and delivery of services for the members of the Association
- Introduction and implementation of institutional and organisational changes that would help Association to perform effectively and democratically

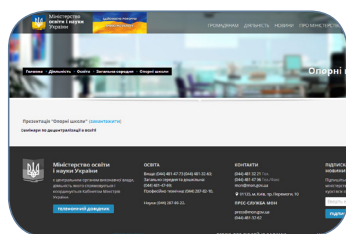

## SUPPORT TO THE PARLIAMENTARY COMMITTEES

- Supporting the organisation of the 'out-of-house' Committee meetings to showcase the specific challenges or the examples of developments taking place in Ukraine's regions
- Showcasing European practices (Swedish and Nordic) through study visits, case studies, analytical papers, reports etc
